“ *Fred, my deepest condolences to you for the the loss of Mary, your wife of 35 years. Although we know Aunt Mary is resting peacefully with the angels, without pain or illness, she was the love of your life. When we last visited, I enjoyed hearing the story of how you met and will always remember how happy both of you were when sharing it. You've taken such good care of her. If there's anything Randy and I can do for you now, please let us know. Love, Shari*
