“ *So sad to hear of Tony's passing. Tony loved playing guitar and he loved worshipping. Now His faith is now made sight. One thing that helped me so much when my dad passed was to think this thought. Every time I am worshipping Jesus I am the closest to him. While we exist in separate spaces in that moment we are both worshipping together and our hearts are one. Prayers for the whole family. I know this is a great loss for you all and I'm praying that the Holy Spirit brings you comfort and strength as you walk this difficult path. ❤️*

With deep sympathy prayers. I will always be grateful for all the praise and worship songs Tony led at Biker Church. He was an amazing father, husband and friend, he will be missed by many. Chris your Dad truly had a great relationship with God, he was an explanatory person and father. May God's grace guide you through these hard days. Know you are both loved by many
