“ Myndolyn McCoy

“ I met cousin Myndolyn at Griffin Walmart several years ago. We got to talking and realized that somehow we must be related! We exchanged numbers and were supposed to get together to figure it out and get to know one another. I tried calling, but never received a response. At some point I lost his number, but I wish I could've gotten to know him. He was so kind and in the little we spent talking, I felt I'd known him a lifetime! I am so very sorry for your loss 😭 praying for his family
