“ *So so sorry to hear of Gail's passing. I am so blessed to have known her. She was one of the most hospitable people I've ever known and I will always have fond memories of her. She was sassy and fun and made wonderful bourbon balls at the holidays. I learned many things from her. A true blessing in my life. ~Betsy Laney*

“ *I have too many memories to share. I've known Gail and her family most of my life. Her brothers and I were best of friends since elementary school along with her sister. I think I spent more time at their house than I did at my own. My condolences to her family. I pray for comfort, grace and mercy as ya'll mourn her passing.*
