“ *Nancy was my best friend. For many years you rarely saw one of us without the other. We were tea room junkies...we were there about every time the doors were open. I miss her so much. I'm comforted by the fact that she is in heaven with her beloved mother, and I look forward to seeing her again one day soon. I have so much to tell her, the most important being that I loved her to the moon and back, and wish so much that I had been there for her.*

“ I met Nancy in 2nd grade when we became lifelong friends. We had such good times through school. There are to many to share but I smile and think of those times. I think of when Jimmy and Nancy met and the rest history . Strong love and commitment . They are both near and dear to my heart. Through the years we kept in touch but never enough time when some how life gets in the way, Family, jobs, distance. I love you both and I know this is hard for you Jimmy . We are there for you . She is smiling down today on us and singing with the angels. No Tears and no Pain.

“ *I have the fondest memory of Nancy in the tea room at Barnesville years ago. Wanda and I met her there one day for tea. She had on the cutest hat and had the sweetest smile. She loved that tea room and was so happy, That's how I will always remember her. Rest in peace sweet lady!*
