“ Nick, my only and oldest brother, you are gone too soon...I love you so much, and I miss you more than my words could ever express. I am thankful for the time we had and the memories we have shared and will cherish them always. Thank you for loving, believing, and supporting me. I'm a better person for having known you, and even more blessed to have you as my big brother. Rest easy, soldier. <3

“ I remember how all the young Korean girls would swoon as Nick walked through the streets of Seoul. He was such a handsome young man that even the older ladies would stop and stare appreciatively.  
Rest in peace, Nick.

“ Jordan and I had so many joyous times with Nick when he was little. I hope he found that same joy later in his life. I'm so glad we had the chance to get to know him and his mum.

*Rest in peace Nicholas.*
