“ Dear Pamela,

I was deeply saddened to learn of your passing and regret not knowing sooner. Reflecting on our time together, I remember how we instantly connected at my work and maintained our friendship even after I left. Your advocacy for yourself and others was truly inspiring, and your spunky, sweet nature brought joy to those around you. You always showed concern for me and your love for both my dogs and your cats highlighted your compassionate spirit. I cherish the memories of our visits, birthday celebrations, and holiday exchanges. I'm deeply sorry I didn't get the chance to say goodbye. You will be dearly missed and always remembered.

To Pamela's family, please accept my heartfelt condolences. The last few years, I slowly lost contact with Pamela. Pamela was a remarkable person who touched the lives of many, including mine. May your cherished memories bring you comfort.

With deepest sympathy,

CMJ

“ *I want to extend my sincere condolences to the family of Renee. I unfortunately never had the honor to meet her in person, but, I have been a friend of her wonderful son, Chris, for over 10 years now. I never had the honor of thanking her in person for bringing my greatest friend I ever had into this world. Renee, I will always have regrets for never having the opportunity to meet you in person. But, I feel blessed to have known you through Chris. To the family and all who love her extraordinary soul. My heart goes out to each of you. I pray for your strength in this extremely hard time. Know that she will remain close in your hearts, beside you in the hard times and watch over everyone she loves from heaven. To Chris, his sister and dad, I send you my love, I am here if you ever need me, if it's in my power, it will be done. 🙏 I am so deeply sorry for your loss.*
