“ *Peggy was a sweet sister with a mixture of kindness and sass ! Her kindness was to others in less fortunate situations, she was always giving her own personal belongings to people she felt needed them, she wanted to help others and share God thru prayer with them. Her prayers were for world peace with never ending love and peace for all. She loved her music and to just dance around to it. She truly felt the love of her brother and sisters, her two sons and the entire family. She is going to be missed. We love you Peggy Ann !!!!!*
