“ *My sincere condolences to Ken's family. I too was a member of the small community we called home in Griffin and knew Ken and his family from an early age through High School. He was a gentleman all his life, even at an early age. His parents were wonderful people also. Nothing but good words can be said of Ken. I am sorry to hear of his passing.*

“*Ken was a good friend, good guy, soft spoken and gentle. Don't think I ever saw him get upset, always in control. We enjoyed lots of things together, and I feel as though all of us who grew up in East Griffin, are who we are today because of it. Ken is a great example of that, and I'm glad to have been his friend, and family..God Bless you all.*”
