“ I'm so sorry to hear of the loss of a man that meant so much to so many! It's a hard time and there aren't the right words to ease the pain this has caused all of you but know that there are many prayers being sent your way. God walks with us and guides us along the road until we see our loved ones again. You all will see him again and he will be waiting so for now support each other and love the memories.
