“ *I have fond memories of Mrs. Reba from Beaverbrook Elementary School where I attended many years ago. I had the pleasure to reconnect during the past three years at Brightmoor Assisted Living where my mother lives. I saw Mrs. Reba in the hallway often while visiting my mother and she always shared her sweet smile. May God bless family and friends with peace and comfort during this sad time.*

Another angel has joined with the Lord! She is in my thought the whole time and can not wait to see next week during my winter break from school and then received the sad news. I intended to see her last Christmas break but got a bad cough and cold. She is my confidant and a wonderful woman who loves the Lord! I will surely miss her! I live her so much and been blessed with her love and compassion to people. Praying for family !

One of the most precious people I have ever met! She and Mr. Moore are my spiritual Mother and Father and taught me so much about the Lord. We shared many, many good conversations and times in the Lord! She was such an inspiration to me and my confidante so many times. I am so thankful that I got to see her beautiful face on Sunday and tell her I loved her. I know that she and Mr. Moore had a very joyful reunion! Can't wait to see them both again!!! Love and prayers to all her family!
