“ Praying for you all during this time and asking God to give each of you the peace and comfort that only he can. Clark is a good man, he and I were friends and classmates in Junior High and High School, having lots of classes together because our last names are close. Clark was easy going, even tempered, and respectful of other classmates and School Personnel. He had a gentle spirit, a kind laugh, and a funny little chuckle. I knew his brother Larry and most everyone of his relatives. I have the utmost respect for all of them, and see where his good character and integrity came from..We all will miss him, but we can be assured we will see him again..God Bless you all. †

“ There are a lot of memories with Uncle Clark, I dont even know where to begin. I lost my father when i was barely 9 years old and i remember Uncle Clark and Aunt Jane comforting me all through the night as i laid in bed crying, Aunt Jane stayed beside me just rubbing my back til i fell asleep. Uncle Clark doing his best to comfort Mama and my brother. Few year's back we all went to Veterans state park camping, fishing having a really good time. That was the year he taught me how to get a fish hook from a fish that swallowed me hook. Ill always remember the huge pots of stew him and paw-paw would cookout at family gatherings. I surely miss all my family that have gone on before me, the best memories of my life was spent his house and my Grandparents. To my cousins and Aunt i love you all very much. You guys are in my thoughts and prayer's, The Lord will give us all the strength and comfort to get through the hard days ahead.
