“ Dad... You have been in my life since I was a baby. Back when daddy and you drove for good old national freight together. Then next thing you know I met Kevin at 16 & I was 17 and I've been aggravating you ever since! Its so damn hard to wrap my head around the fact not only are daddy and momma gone almost 6 months to the days after momma I lose you too. Its not right, or fair... Thank you for always including me. We had a fun relationship! We always played around and aggravated each other. Thank you for loving me and treating me like a daughter instead of a daughter in law. I'm sorry I haven't been to see you. Sorry I couldn't come when Kevin came. Thank you for having an amazing relationship with kevin, and all the advice you gave us on how we should run the trucks, business. Thank you for loving wes and kate like you did. I hate this but I know ur better now no more pain and ur back with ann. Please watch over k and the kids, along with ryan, amy, danielle, michelle, me and momma j too. Tell momma and daddy hey and I love then. I know y'all smoking, drinking coffee and bs about trucks! I absolutely can't wait to get to heaven cause most of my heart is up there. But on a funny note I'll never forget ur damn rooster trying to ride ur motorcycle that day! I'll always have that memory and its a great one! I love you dad, miss you so much already. Xoxo 🥰 love mag!
