“ *To The Brazil Family*

I'm sorry for your loss. Roger was always a kind person like his dad. He loved his wife, kids and grandkids. He was always willing to help anyone. I know he is rejoicing with his mother, father and 2 siblings, Ellen and Morgan. But that doesn't stop the pain the family is feeling right now. I pray that you find peace and comfort in this time of your life.

*Love you all,
Kelley Lapinski*

“ *Tammie and family, my heart goes out to you all at this time. I will always remember Roger as a gentle and sweet man who loved his wife and family so much. I loved the way he would hold his little grandbaby at church while she slept. He was so proud and loving with her and all of his family. He was so loving to his wife while she was so sick and he took very good care of her. We have prayed and believed for his healing for a long time. But God had other plans for him. Just rest assured that he is happy and healed and the best he has ever been since he is in Heaven. For anyone who does not know Jesus, just look at Roger's life and what a change Jesus made in his life and try and model yourself after him and love The Lord with all of your heart as Roger did. Great is your reward, Roger. Until we all meet again.*
