“Lori and Family we are so sorry to hear about Dale. May God give each of you peace and comfort during this time and the coming days. Dale is a good man. I worked with him at Dundee, he was a super Dundee Team member. He helped many many times to get things needed done. He was always willing to help, would listen and give advice, a Man of great character and work ethic. He is a good friend to many, including John Crowder, who kept me updated on Dale. Ms. Barbara, his mom worked for me for several years and was a good Team member and did a good job for me. We will all miss him, but we rest in the assurance we will see him again. God Bless you all.
