

Sean Neal Cramer

July 6, 1976 - April 4, 2021

On April 4, 2021, Sean Neal Cramer passed away at home surrounded by his family and his significant other, Renae Nguyen. Sean loved his family, friends, and many dogs fiercely. His genuine personality, warm smile, and twinkling Irish eyes could light up any room. He loved the State of Georgia and the beautiful sunsets from his hilltop. He also enjoyed playing his guitar and the outdoors; hiking, hunting, golfing, and riding his motorcycle. Sean could deliver lines from his favorite movies and had impeccable impersonations that made people laugh. Sean lived life to its fullest and will be missed by his mother, Patricia; his Dad, Wayne; Wayne's wife, Ellen; sister, Melanie; brother, Joseph; and nephew, Grant. Remember everyone, "It's a brave new world out there!" Make the most of it! In lieu of flowers, please make donations in Sean's honor to the Humane Society or your local animal shelter.

“ *to Sean*

It was a pleasure to have known you! We were working colleagues from Canada & USA.. We spoke with each other on the phone about business & pleasure. Sean would visit us a couple time a year especially Christmas. One Christmas Party Sean won a million dollars, that's about \$100us. What Sean did next has always stuck in my mind. He gave the prize money back to the SII Factory employees to have a company lunch together. He appreciated their work and support. That is the kind of man Sean is.....giving, kind, thoughtful and always will be remembered! RIP SEAN...
