“ *Mama Sharon,
You were always there for me... From the first time you took me in from sleeping in my car at 16 (even though you didn't agree with my tattoos or My jack Daniels breath) to the numerous other times you kept me from sleeping on the street or being alone... You were always there... Even though you didn't agree with everything I did you never judged me but you would put me in my place. You always treated me and my babies like we belonged to you and your family. I'll always love you and I'll miss your smile and silly laugh forever and always❤️
