“ I was looking for Stephanie to invite her to our 55 class reunion for Butler High School.
My lovely friend is in my memories as a fun loving soul. I can hear her original voice full of laughter always lifting others spirits.
I will cherish that 15 years ago I found her and called to come to our 40 class reunion. She said my life is full with my children and grandchildren I cannot come this year.
As we celebrate life with the class of 69 we will remember you Stephanie. ❤️❤️❤️
