“ I am going to miss Steve so much. We had so many memories over 25 years. From jumping out and scaring each other, getting him to laugh so hard in the Krystal drive thru he couldn't order, to constantly picking on each other. He always treated me like I was his own daughter and was always there when I needed anything. I am very grateful we have had many year's with him.

Steve I love you so much. It hurts so much to give you up. Just knowing I will see you again brings a smile to my face. I'm not saying goodbye just saying I'll see you later when the time is right. Until then just know how much you are loved and will be missed.
