“ Dear Susan, I just read about your loss and my heart breaks for you. She was a beautiful young lady and her smile speaks volumes. I know the pain of the loss of a daughter and you will never get over it but time will make it easier. I did not know about Isabel until a couple of weeks ago and I am so sorry to hear this sad news. May God be with you and Summer's children.

“ Summer was a huge part of our family for so long. She spent a lot of time with us and our daughter Sarah (BF). She was always smiling and silly as well. Summer will always be a part of our hearts and will definitely be missed. I know she is at peace and happy now. Praying for the family to find peace and comfort during this time. Love to all
