“ *Susan was my best friend all through elementary school. We spent the summer at the swimming pool and having sleepovers. She was the sweetest, nicest person. I have always thought of her with a smile. We played basketball , went to the library,the movies and roller skating. She's is a big part of my childhood memories. I'm so thankful to have had her in my life. Aloha oe Susan. Until we meet again my friend.*

“ Susan was and has always been a friend to me. When we were young, She would invite me to spend the night, go roller skating, and go on camping trips.
I've never had a better friend since.
Thank you Susan for being mine.

“ Susan was my partner in crime at Southern Crescent University. We study together, did homework together in the library and prepare for exams. She was my voice of reason. I will miss you always.
