“ My heart goes out to all of the Family. Tammie loved you all so much, especially her grandchildren. Tammie loved The Lord with all of her heart. She gave so much of herself to serve him and pray for strangers whenever the opportunity presented itself. Amber and Tammie would even set up at Wal-Mart parking lot and offer prayer to anyone who would come and ask for it. She was so in love with Roger and The Lord. I was always amazed at her boldness. We hit it off as soon as we met each other at Life in The Spirit Full Gospel Church. I loved to hear her sing and she even sang with her brother for us at the church. I don't know how she belted out those songs during her last few months. But she did and it was always beautiful. I wanted her to be healed and stay with us...God wanted her to be healed and come to Him. See you one day in Heaven, Sister.
