“ *Tina, I was heart broken to hear of your passing. I always thought of us as true friends though we didn't stay in touch. You were always happy and a joy to be around. My heart goes out to your family. Rest in Peace my friend. Angie Dickens Hale*

“ *Mom my hearts so broken since you left us. You have taught me so much in the 36 years I've had you. But there was so much more we had left to do. Im glad you actually got to meet your grandbabies and have a bond with them. I will always cherish the memories we made , but most of all having you in the room to see your grandson being born. The day we lost you a piece of me went with you. I will always love you, but it makes it little easier on me knowing your back with Pawpaw, and Uncle Meany. I know yall had a big party when you got to them gates of heaven. Love always your baby girl

“ Oh so many memories. She taught me so much. I'll never forget her catching me smoking 🚬 when I was barely a teen. I snuck over to her house when I was at my grands, found some creamer and mixed in water, filled my cup with "coffee" and smoked one of her cigarettes. She came in and busted me. Made me smoke 2 cigarettes back to back. Never will I ever smoke again! She got me!
