“ Tony Clay was a great husband and Dad to his family. He enjoyed camping, fishing, boating, skiing but most of all he enjoyed his family and friends. I really, really enjoyed the time I spent with him and his wife Donna. We were always laughing and enjoying life. Tony Clay you will be missed my friend more than you'll know. At least now you are pain-free and at peace from all the suffering you endured. I always loved you for who you are my two grandchildren s pawpaw(GRUMPS).
