“ *I remember Tony, Gladys and their family well. Sweet people. My brother and Tony were about the same age and we all attended Grace Baptist. I recall their Sunday School having a get-together at our house. My Mom so enjoyed preparing for it. Tony arrived early and we enjoyed him so much. It's a memory that stands out for me. My brother always included me and that's special too since I was his little sister. Tony was always faithful to attend church. He was always there. Last time I saw he and Gladys I was so thrilled. Had not seen them in a long time. Good, good people.*

“ *Tony was a special friend at the Pike County Senior Center. He has been missed since going to Hertiage Inn. We will always have fond memories and are Thankful for the time we shared.*
