“ *O wow what can I say about this lady right here besides saying that you were a very special and awesome lady to me. But one thing I will say you got me hooked on your special meatballs. So I guess I will have Marcia to make them for me for now on. Love you Mrs. Tracy R.I.P*

“ Tracy worked so hard to learn American Sign Language and did a great job with it. She presented several projects in my ASL class at Heritage Senior Center. She told some children's stories in ASL as well as giving directions on how to play games. Tracy was a joy to have in class. She always had a ready smile for everyone in our group. I am proud to have known her and to be able to teach her. Tracy will be missed by everyone that she came into contact with. Love and prayers to the family from Janice Work.
