“ *Jason, Christy and family, I was so sorry to hear about Pop...He is a good man, one who loves his family with all his heart, and is so very proud of each one of you. I've been friends with him since we were teenagers, and he has been a good one. Our travels to football games with Don and Bobby brought many good times, lots of fun and laughter, and talks among friends about family and life its self. We will all miss him but we can rest in the assurance that we will see him again. God Bless you all.*
