“ *Joyce and Bill and family, I can't even imagine what you're going through. I am devastated. I loved Scott since I first met him at Georgia Southern. He and Greg were best friends and I was fortunate to get to know Scott. He had an infectious laugh and smile. He was such a nice young man. He will be missed! I'll be praying for you. “ *To Joyce, Bill and all the family, David and I I offer our sincerest condolences and prayers during this sad time.*

My fondest memory of Scott is when Joyce and Bill were going out of town and Joyce asked me to pick her okra out of the garden while they were away. She said Scott would unlock the gate for me. I went over that day and Scott walked through the garden with me. We both had a good laugh when I cut off the first piece of okra and Scott said, "So... that's what an okra plant looks like." He definitely wasn't a farmer but he had a good heart. He was sweet, kind and a hard worker, and he had a great smile. I loved him and I will miss him.

Scott was a very close friend of mine and will be dearly missed we were friends from high school all the way up until the end. There are so many really good and fun memories . Way to many to list. I will say he always had that smile and a joke to tell and 90% of the time was in a jovial mood. I'll always remember him. May God bless and be with both Wendy and the family.
