“ *This is so devastating. Billy was so smart and had a great personality. I can see him in Ms. Kitchens’ class in 4th grade and in Ms. Ivey’s class in 5th grade at Orrs Elementary like it was yesterday. He was one of our best and brightest students. Wendy, my heart breaks for you and your family as I know you are all completely heartbroken. It was so nice when you and Billy would drop by Moreland Road to visit. Billy was so blessed to have such a wonderful mom as much as you were blessed to have such a great son. You and your family are in my heart and prayers with my deepest sympathies. Billy touched many lives and he is going to be deeply missed.*
