There are so many memories spent with Aunt Winnie - everything from spending summer weeks, first babysitting chores taking care of Ron while she cleaned or worked in the garden, my first attempts at making biscuits and VBS or my first visit to a church revival. Listening to the memories from her after my Mom passed of their adventures as sisters will always be a blessing. May God grant her the peace of knowing that her children will honor her and take care of Uncle Ronnie in her place. You are loved and will be missed but never forgotten. Love - Leslie

“ Aunt Winnie will be missed so very much!! She would tell so many family stories when we visited and always asked about all our kids and grandchildren! She loved everyone as family! This photo was with our granddaughter Addison, (Jamie’s girl). Timmy had taken her to visit and fish. Aunt Winnie said she was just like her daddy!

“ I spent some of the happiest times of my childhood at Aunt Winnie and Uncle Ronnie's. I remember losing a baby tooth at their house and I put it on a shelf at their house until I could take it home and put it under my pillow. When I went to get it there was 5.00 sitting there in its place. I remember going home and telling mama that the tooth fairy gave more money at Aunt Winnie's house. I was so happy when I got that money. I remember Aunt Winnie laughing when I told her the tooth fairy left me money and her happiness on seeing me happy. I loved spending the night there. Uncle Ronnie, Patty, Samantha and Ron, my thoughts are with ya'll.

“ When I think of Winnie I always think of her laughter. She was a delightful person who made me happy to be around when I was a young girl. She was our neighbor and friend.
